### Editorial Review

From [AudioFile](#)

Anyone who can give a scary, inhuman voice to a gray, slimy mound is the perfect narrator for this collection of Stephen King stories. In "Gray Matter," King offers a strange group of Maine woodcutters whose neighbor seems to be disintegrating after drinking a bad beer. In all the stories Glover cleverly brings terror into your home or car with a wide variety of voices depicting the bogeyman, college coeds, a dying old woman, and a former mercenary battling an army of one-inch-tall soldiers and fly-sized helicopters. A delight for King fans. J.E.G. (c)AudioFile, Portland, Maine

### Users Review

**From reader reviews:**

**Rafael Runyan:**

The e-book untitled Gray Matter is the book that recommended to you to read. You can see the quality of the guide content that will be shown to an individual.
