Pre-Clinical Dental Skills at a Glance (At a Glance (Dentistry)) By James Field

Pre-Clinical Dental Skills at a Glance provides a comprehensive and accessible guide to the basic operative skills and core clinical skills required of those about to embark on dental clinical training. It serves as the perfect illustrated introduction for pre-clinical students and a handy revision guide for subsequent undergraduate and postgraduate stages.

Following the familiar, easy-to-use At a Glance format, each topic is presented as a double-page spread with text accompanied by clear colour diagrams and clinical photographs to support conceptual understanding. *Pre-Clinical Dental Skills at a Glance* is a valuable resource for students studying dentistry, dental hygiene, dental therapy or dental nursing, as well as skills-based assessments such as the Overseas Registration Exam or the Licence in Dental Surgery.

Key features include:

- An illustrated introduction to the dental clinical environment, basic operative skills and core clinical skills
- Key concepts are explained and superbly illustrated enabling you to visualise the intended clinical endpoint
- Core clinical skills covered include controlling cross-infection, giving and receiving effective feedback, history taking and communication skills
- A companion website with self-assessment questions for students and teaching notes for instructors

Editorial Review

Review

“Great diagrams for visual learners.”

“It’s a very good way to have a clear idea of what you want to achieve before you pick up the handpiece.”

“Being able to read about the operative techniques in advance of the practicals was excellent...I knew what to expect and it reinforced the technique when repeating it myself.”

“The book chapters are the perfect length for a quick overview...The sections [on] common pitfalls and criteria are particularly helpful.”

“It all reads very clearly for someone in our position, who is familiar with the basic scientific knowledge but unsure about further detail. The chapters explain and illustrate concepts very easily.”

From the Back Cover

Books in Wiley’s *Dentistry at a Glance* series are ideal study aids for undergraduate dental students and recently qualified dentists. All follow the same student-friendly style; each chapter is presented in a double-page spread with clear, easy-to-follow diagrams, supported by succinct explanatory text.

Dentistry at a Glance books are essential introductory guides to a wide range of topics in dentistry. The explanatory text outlines the key concepts and each bite-sized chapter is superbly illustrated to aid visual learning and understanding.

Everything you need to know about Pre-Clinical Dental Skills...at a Glance!

Pre-Clinical Dental Skills at a Glance provides a comprehensive and accessible guide to the basic operative skills and core clinical skills required of those about to embark on dental clinical training.
