**Addicted: An Ethan Frost Novel** By Tracy Wolff

**NEW YORK TIMES BESTSELLER** • Ethan Frost returns in another breathtaking novel by Tracy Wolff, the *New York Times* and *USA Today* bestselling author of *Ruined*.

*As Chloe Girard discovers, there's love . . . and then there's addiction.*

Ethan Frost is everything a woman could want in a man. He's rich, gorgeous, powerful, one of the most eligible bachelors in the world.

But that's not why I'm with him.

I love Ethan for all the things no one else gets to see: his innate kindness, his reckless spontaneity, his unwavering determination to use his brilliance for good. I love the way he looks at me, the way he touches me. The way he makes me forget the wreckage of my past and the twisted fear that still lives inside me.

But sometimes it terrifies me how much I crave him, how much I need him just to breathe. I always thought it would be my past that ruined us, but there's a darkness in Ethan I never dreamed existed. Can we survive as his secrets surface—threatening to unravel us both?
