The Oxford Handbook of Philosophy of Mind (Oxford Handbooks) From Oxford University Press

The study of the mind has always been one of the main preoccupations of philosophers, and has been a booming area of research in recent decades, with remarkable advances in psychology and neuroscience. Oxford University Press now presents the most authoritative and comprehensive guide ever published to the philosophy of mind.

An outstanding international team of contributors offer 45 specially written critical surveys of a wide range of topics relating to the mind. The first two sections cover the place of the mind in the natural world: its ontological status, how it fits into the causal fabric of the universe, and the nature of consciousness. The third section focuses on the much-debated subjects of content and intentionality. The fourth section examines a variety of mental capacities, including memory, imagination, and emotion. The fifth section looks at epistemic issues, in particular regarding knowledge of one's own and other minds. The volume concludes with a section on self, personhood, and agency.

The Oxford Handbook of Philosophy of Mind will be an invaluable resource for advanced students and scholars of philosophy, and also for researchers in neighbouring disciplines seeking a high-level survey of the state of the art in this flourishing field.

Users Review

From reader reviews:

Stanley Hanson:

Do you have favorite book? For those who have, what is your favorite's book? Guide is very important thing for us to know everything in the world. Each book has different aim as well as goal; it means that guide has different type. Some people really feel enjoy to spend their time and energy to read a book. These are reading whatever they acquire because their hobby is reading a book. Consider the person who don't like reading through a book? Sometime, person feel need book once they found difficult problem or maybe exercise. Well, probably you will want this The Oxford Handbook of Philosophy of Mind (Oxford Handbooks).

Clara Palmer:

Spent a free the perfect time to be fun activity to do! A lot of people spent their leisure time with their family, or their friends. Usually they accomplishing activity like watching television, planning to beach, or picnic within the park. They actually doing ditto every week. Do you feel it? Do you need to something different to fill your current free time/ holiday? May be reading a book might be option to fill your no cost time/ holiday. The first thing you ask may be what kinds of reserve that you should read. If you want to consider look for book, may be the reserve untitled The Oxford Handbook of Philosophy of Mind (Oxford Handbooks) can be excellent book to read. May be it can be best activity to you.

Michele Brown:

You could spend your free time to study this book this e-book. This The Oxford Handbook of Philosophy of Mind (Oxford Handbooks) is simple bringing you can read it in the playground, in the beach, train and soon. If you did not include much space to bring often the printed book, you can buy the particular e-book. It is make you better to read it. You can save the book in your smart phone. Therefore there are a lot of benefits that you will get when one buys this book.

Carlos Moses:

Do you like reading a reserve? Confuse to looking for your preferred book? Or your book had been rare? Why so many issue for the book? But almost any people feel that they enjoy intended for reading. Some people likes reading, not only science book but also novel and The Oxford Handbook of Philosophy of Mind (Oxford Handbooks) or perhaps others sources were given information for you. After you know how the fantastic a book, you feel want to read more and more. Science e-book was created for teacher or maybe students especially. Those publications are helping them to increase their knowledge. In some other case, beside science publication, any other book likes The Oxford Handbook of Philosophy of Mind (Oxford Handbooks) to make your spare time a lot more colorful. Many types of book like this one.
