When *Celebrity Magazine* declares rock star Trystan Scott the sexiest man alive, I'm not surprised. How can anyone claim otherwise about those blazing blue eyes, rock-hard abs, dark hair, and a totally lickable dimple?

Before the billionaire playboy rose to stardom, we were friends for a while and lovers for a night. Though that was nearly a decade ago, our connection burns brightly in my memory. We weren't a one night stand, not to me.

I can admit it? I got played. To him, I was just another conquest. My beautiful best friend is long gone, and I've moved on. But when fate forces us to meet face to face, everything I felt for him comes rushing back.

Trystan is crashing and burning fast. The press flock like vultures, waiting for him to kill himself or worse. Either way, his mistakes earn them millions.

One night, one time, one word is all it takes to wash away a decade of reason and regret. One secret threatens to push him six feet under, and, when those beautiful eyes turn to me for help, how can I say no?

*Genre: Contemporary, Raw Romance*

*Type: Novel, 350 pgs*

*Book 1 of 1, no cliffhanger, with epilogue*

*Related Works: The Secret Life of Trystan Scott, The Ferro Stories including Arrangement, Proposition, and Stripped*

Leaning back against the pillows, I smile. For the first time in my life, I'm truly happy. I'm in college, loving

my classes, and dating the perfect guy.

Trystan stops suddenly and looks over at me. He doesn't say anything.

"What?" I laugh at the curious expression on his face. It's like he's hoping I'll buy him a puppy.

"You're beautiful. Everything about you is beautiful--your face, your body, your soul." The intensity of his words is palpable. I can feel them wash over me and connect inside me. That connection we've always shared is there and growing stronger.

Trystan's lashes lower as he watches my mouth. He keeps one hand on his guitar and leans in toward me. My pulse races faster as my body heats up. His kisses consume me, lighting me up from the inside out. I don't move. I let him come to me, pressing his body against mine. His free hand traces my lower lip with the pad of his finger before cupping my cheeks and pulling me close enough to press his lips to mine.

It's hard to keep things light with Trystan. Every kiss is heated, making me want more. I'm almost there with him, but I wanted to be sure. I want to be certain he loves me. I want to know he'll stay. He has a reputation that worries me, but he can't fake this, can he? What guy would go through what we've been through together for a quick tryst? I push the worry away. It's been too long, too much has happened to continue worrying about being a notch in his belt at this point.

The kiss ignites and soon my skin tingles all over wanting his hands touching me.
