From Book 1: *You never really know the person you've married... until it's too late.*

Pregnant heiress Carmen Winters goes into shock when she comes home to find her husband hanging from a chandelier. Her immediate thoughts concern whether she should snap a photo for social media.

As she gathers her wits, she begins to question the events surrounding her husband's death. Carmen's quest to understand the suicide is complicated by her difficult pregnancy and aggressive advances from her late husband's best friend.

When Carmen discovers information about her husband that makes her realize her entire life was a lie, she finds herself drowning and needing desperately to lean on someone for support. Feeling vulnerable and lost, she gets entangled in a dangerous relationship and is unprepared for the consequences...

One man may hold the key to her salvation, while another seems bent on her destruction.
