La hija del boticario (Nueva Historia) (Spanish Edition) By Charlotte Betts

La emocionante historia de una joven boticaria londinense en plena epidemia de la peste en el siglo XVII.

Este libro es una lectura embriagadora, ambientada en uno de los períodos más emocionantes de la historia de Londres (Novela histórica)

Londres, 1665. Susannah, hija de un boticario viudo, ha ayudado desde niña a su padre y se ha convertido en toda una experta en remedios naturales. El aroma resinoso de la lavanda, la esencia del romero, el regaliz y la trementina han impregnado siempre el ambiente que respiraba. Cuando su padre vuelve a casarse con una mujer mucho más joven que él, que además tiene tres hijos, su universo se derrumba.

En plena epidemia de la peste bubónica, la propuesta de matrimonio de un encantador amigo de la familia, Henry Savage, parece la mejor solución para huir de su situación. Pero a medida que la epidemia avanza por toda la ciudad, su marido resulta ser alguien distinto de lo que ella esperaba. Susannah necesitará todo su coraje y su pasión para salvarse de la tragedia, personal y colectiva, y deberá luchar por encontrar su sitio en un mundo demasiado complejo.
