## Editorial Review

### Review

“High concept meets high octane in this brilliantly executed thriller. Envision Clancy, Forsyth, and le Carré all writing in their prime...then kick in the boosters. *Coup d'État* is fantastic and Ben Coes blows the competition away!” *#1 New York Times bestselling author Brad Thor*

“This exciting sequel to *Power Down* explores an all-too-plausible conflict...the plot sizzles with action, and the details have an authentic ring that put this thriller a cut above the pack.” *Publishers Weekly*

“Will keep you up at night--first with the titillation of a great read, then with dread that Ben's plot might not be all that imaginary. A sumptuous dessert for a thriller reader.” *Brian Haig, author of The Capitol Game*
