### Nine Dragons (A Harry Bosch Novel Book 15) By Michael Connelly

LAPD Detective Harry Bosch is off the chain in the fastest, fiercest, and highest-stakes case of his life.

Fortune Liquors is a small shop in a tough South L.A. neighborhood, a store Bosch has known for years. The murder of John Li, the store's owner, hits Bosch hard, and he promises Li's family that he'll find the killer.

The world Bosch steps into next is unknown territory. He brings in a detective from the Asian Gang Unit for help with translation--not just of languages but also of the cultural norms and expectations that guided Li's life. He uncovers a link to a Hong Kong triad, a lethal and far-reaching crime ring that follows many immigrants to their new lives in the U.S.

And instantly his world explodes. The one good thing in Bosch's life, the person he holds most dear, is taken from him and Bosch travels to Hong Kong in an all-or-nothing bid to regain what he's lost. In a place known as Nine Dragons, as the city's Hungry Ghosts festival burns around him, Bosch puts aside everything he knows and risks everything he has in a desperate bid to outmatch the triad's ferocity.

Featuring ebook bonus materials including an in-depth interview with the author about writing "Nine Dragons," photos from his exciting travels while writing the book, and a link to an online promotional video.

## Editorial Review

Amazon.com Review

**Amazon Best of the Month, October 2009:** An investigation into a cold-blooded murder introduces Detective Harry Bosch to a Chinese underworld lurking in the dark recesses of the City of Angels. Its tentacles are far reaching, yet it remains shrouded in secrecy due to time-honored cultural traditions that keep the exploited from speaking out. To the victim's family, Bosch promises revenge, but when his own daughter suddenly becomes a target, he promises blood. However, working a case with leads on both sides of the Pacific provides little room (or time) for error. *9 Dragons* is a gritty, coffee-and-cigarettes crime thriller full of smart twists and generous helpings of suspense. Fans of Michael Connelly can expect another exceptional thrill ride, while newcomers will be immediately engaged by the tortured and unrelenting Bosch. "He knew one day it would come to this, that the darkness would find [his daughter] and that she would be used to get him," writes Connelly. "That day was now." --*Dave Callanan*

From Publishers Weekly

Bestseller Connelly nimbly balances Harry Bosch's personal and professional lives, both of which take a substantial beating, in his 14th novel to feature the LAPD homicide detective. Bosch, last seen with his recently discovered half-brother, lawyer Mickey Haller, in *The Brass Verdict* (2008), investigates the shooting death of a liquor store owner. While the murder has none of the hallmarks of a regular gang hit, Bosch discovers the dead man was paying a weekly protection fee to a man Bosch suspects is part of a Chinese triad. Even though Bosch is warned to drop the case, he doesn't take the threat seriously until he receives a video showing his 13-year-old daughter, Madeline, being kidnapped in Hong Kong, where she lives with her mother and Bosch's ex-wife, a former FBI agent. Bosch flies to Hong Kong to try to rescue Madeline, prepared to face down one of the world's most powerful crime syndicates. Tenacious as ever, Bosch is even more formidable in his role as a protective father. *10-city author tour. (Oct. 13)*

From [Bookmarks Magazine](#)

By the time their series reach a 15th installment, authors tend to fall back on the status quo, putting familiar characters in recognizable situations. Not so with Connelly, who continues to explore the darkest reaches of Harry Bosch's psyche in ways that will surprise even Connelly's die-hard fans. In fact, it is the author's deft combination of police procedural and taut psychological suspense that separates Bosch from other fictional crime detectives. A few critics thought that the condensed time frame led to some unbelievable scenes, but the majority hailed *Nine Dragons* as one of Connelly's best. Introducing plotlines that will influence Bosch well into the future (his career in books has so far covered nearly two decades, starting with the 1990 Edgar-winning *Black Echo*), *Nine Dragons* once again illustrates Connelly's magic touch.

## Users Review

From reader reviews:

**Millicent Doty:**

Book is actually written, printed, or created for everything. You can understand everything you want by a e-book. Book has a different type. As we know that book is important factor to bring us around the world. Close to that you can your reading proficiency was fluently.
