To lose a battle: France 1940. By Alistair. Horne

To Lose a Battle: France 1940 is the final book of Alistair Horne's trilogy, which includes *The Fall of Paris* and *The Price of Glory* and tells the story of the great crises of the rivalry between France and Germany. In 1940 Hitler sent his troops to execute the Fall of France. A six-week battle with lightning 'blitzkrieg' warfare and combined operations techniques, the offensive ended the Phony War and sent the French forces reeling as their government fled from occupied Paris. For the Axis, it was a dramatic victory. But how was this spectacular result possible? In *To Lose a Battle* Alistair Horne tells the day-by-day, moment-by-moment story of the battle, sifted from the vast Nazi archives and the fragmentary records of the beaten Allies. Using eye-witness accounts of battle operations and personal memoirs of leading figures on both sides, this book steps far beyond the confines of military accounts to form a major contribution to our understanding of this important period in European history. 'Alistair Horne really brings home the pathos and human folly of war, and he writes brilliantly' *The Times* 'Horne follows his line unfalteringly. All the details are there: the small, fleeting triumphs, the greater disasters, the bravery, the cowardice, the stupidity and the intelligence ... that make war so fascinating and so terrible' *Economist* 'Horne completes his masterly trilogy ... the definitive account of one of the most efficient and astonishing campaigns of all time' *The Times Literary Supplement* One of Britain's greatest historians, Sir Alistair Horne, CBE, is the author of a trilogy on the rivalry between France and Germany, *The Price of Glory*, *The Fall of Paris* and *To Lose a Battle*, as well as a two-volume life of Harold Macmillan.

Mae Marks:

As a college student exactly feel bored to reading. If their teacher inquired them to go to the library or even make summary for some e-book, they are complained. Just minor students that has reading's internal or real their leisure activity. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that reading through is not important, boring and also can't see colorful pics on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this To lose a battle: France 1940. can make you really feel more interested to read.
