Dance Upon the Air (Three Sisters Island Book 1) By Nora Roberts

#1 New York Times bestselling author Nora Roberts—hailed by *Publishers Weekly* as “a storyteller of immeasurable diversity and talent”—presents the first book in her Three Sisters Island trilogy.

When Nell Channing arrives on charming Three Sisters Island, she believes that she’s finally found refuge from her abusive husband—and from the terrifying life she fled so desperately eight months ago...

Careful to conceal her true identity, she takes a job as a cook at the local bookstore café—and begins to explore her feelings for the island sheriff, Zack Todd. But there is a part of herself she can never reveal to him. One careless word, one misplaced confidence, and the new life she’s so carefully created could shatter completely.

Just as Nell starts to wonder if she’ll ever be able to break free of her fear, she realizes that the island suffers under a terrible curse—one that can only be broken by the descendants of the Three Sisters, the witches who settled the island back in 1692. And now, with the help of two other strong, gifted women—and the nightmares of the past haunting her every step—she must find the power to save her home, her love...and herself.

Editorial Review

Amazon.com Review

Setting: Three Sisters Island, coast of New England, present day

Sensuality rating: 6

Perennial *New York Times* bestselling author Nora Roberts's new Three Sisters Island trilogy is pure magic! No, I mean *really* magic. An intriguing combination of *The Witches of Eastwick* and *Sleeping With the Enemy*, *Dance Upon the Air* introduces readers to the idyllic town of Three Sisters Island. Reputedly conjured by a trio of sisters seeking to escape the Salem witch-hunts, the island remains a place of quiet refuge for one and all, including pretty Nell Channing who arrives in town afraid of her own shadow, with few possessions and no past. But the warm, sunny days and cool, windswept nights, as well as the loving concern of new friends--especially hunky sheriff Zack Todd--soon lure skittish Nell into a much-welcome fresh life. Nell's new boss, the captivatingly lovely bookstore owner Mia Devlin (look for Mia's story, hopefully, in the not-too-distant future), wonders from what or whom Nell is running. Mia treats Nell as she would a sister, which isn't too far off the mark, helping Nell discover and explore her inner resources while Zack's romantic attentions bring a rosy glow to Nell's cheeks and to her future. But something wicked this way comes... Will Nell be ready to face and conquer her past? Even with the love and support of Mia, Zack, and Zack's fellow police officer, his peppery, down-to-earth sister Ripley, Nell has the fight of her life--the fight *for* her life--on her hands. Roberts continues to delight fans and create new believers with her talent and imagination. --*Alison Trinkle*

From Publishers Weekly

The first installment of Roberts's newest trilogy set on Three Sisters island invokes the sensitive characterizations and magic that distinguished her previous trilogy (*Jewels of the Sun*; *Tears of the Moon*; *Heart of the Sea*). An enchanted island off the coast of Massachusetts, Three Sisters was formed as a sanctuary by three frightened witches fleeing persecution. Although the witches found peace on the island, each of them entered into an ill-fated relationship and died tragically. Now their descendants Nell Channing, Ripley Todd and Mia Devlin have to break the pattern set by their foremothers, or the island will sink. This first book focuses on Nell, a newcomer to the island who escaped her abusive husband by staging her death. Nell is unaware that she's a witch, but she is instinctively drawn to the island and secures a job as a chef in the caf, owned by Mia. Between coping with her bleak memories and deciding whether she can give her heart to Zach Todd, Ripley's brother and the island sheriff, Nell has little time to digest the discovery that she's a witch. In the end, however, Nell will have to come to terms with her newfound powers so that she can fight her all-too-demented husband. It's probably witchcraft that Roberts can turn out so many books and still create something that's sexy and charming, but in this tale, it's evident that she hasn't lost her fairy touch. (June 5)Forecast: No stranger to bestseller lists, Roberts triumphed in 2000 with the release of two hardcovers and eight mass market paperbacks, seven of which sold in the millions. National radio advertising and print advertisements in USA Today will ensure that her latest hits the big time as well.

From Library Journal

Escaping to Three Sisters Island to put her life together after an abusive marriage, Nell Channing gradually begins to think that she has finally found a place where she can create a new life. But her husband isn't about

to let her go, and when he finally finds her, it takes all her new-found strength and a little help from her "sisters" to deal with his violence. A magnetic hero, a heroine who finds herself, and some memorable secondary characters weave a mesmerizing tale of witchcraft and magic that launches Robert's latest trilogy in fine style. One of the best and most consistent writers in the genre, Roberts (The Villa) is a member of the RWA Hall of Fame and lives in Keedysville, MD.

Users Review

From reader reviews:

Karen Chan:

In this 21st century, people become competitive in each way. By being competitive now, people have to do something to make themselves survive, being in the middle of the actual crowded place and notice by simply surrounding. One thing that occasionally many people have underestimated the item for a while is reading. Sure, by reading a book your ability to survive raises then having chance to remain than other is high. To suit your needs who want to start reading a book, we give you this particular Dance Upon the Air (Three Sisters Island Book 1) book as nice and daily reading book. Why, because this book is more than just a book.

Moses Bean:

Many people spending their time by playing outside having friends, fun activity having family or just watching TV all day every day. You can have new activity to shell out your whole day by studying a book. Ugh, you think reading a book really can be hard because you have to use the book everywhere? It's ok you can have the e-book, taking everywhere you want in your Smart phone. Like Dance Upon the Air (Three Sisters Island Book 1) which is having the e-book version. So, why not try out this book? Let's notice.

Marylou Arroyo:

On this era which is the greater individual or who has ability to do something more are more precious than other. Do you want to become one of it? It is just simple solution to have that. What you must do is just spending your time almost no but quite enough to possess a look at some books. One of the books in the top checklist in your reading list is usually Dance Upon the Air (Three Sisters Island Book 1). This book which is qualified as The Hungry Mountains can get you closer in growing to be precious person. By looking right up and review this e-book you can get many advantages.

Maria Levine:

What is your hobby? Have you heard this question when you got scholars? We believe that that query was given by teacher to the students. Many kinds of hobby, Everybody has different hobby. And you know that little person like reading or as looking at become their hobby. You need to understand that reading is very important and book as to be the thing. Book is important thing to provide you knowledge, except your current teacher or lecturer. You discover good news or update with regards to something by book. A substantial number of sorts of books that can you go onto be your object. One of them is Dance Upon the Air

(Three Sisters Island Book 1).
