The Earl's Enticement (Castle Bride Series Book 3) By Collette Cameron

She won't be tamed.

A fiery, unconventional Scot, Adaira Ferguson wears breeches, swears, and has no more desire to marry than she does to follow society's dictates of appropriate behavior. She trusts no man with the secret she desperately protects.

He can't forget.

Haunted by his past, Roark, The Earl of Clarendon, rigidly adheres to propriety, holding himself and those around him to the highest standards, no matter the cost. Betrayed once, he's guarded and leery of all women.

Mistaking Roark for a known spy, Adaira imprisons him. Infuriated, he vows vengeance. Realizing her error, she's appalled and releases him, but he's not satisfied with his freedom. Roark is determined to transform Adaira from an ill-mannered hoyden to a lady of refinement.

He succeeds only to discover, he preferred the free-spirited Scottish lass who first captured his heart.

Review

2015 RONE Finalist

2015 Finalist Historical Category Aspen Gold Published Writer's Contest

The Romance Review Top Pick

An exceptional, entertaining, and gripping retelling of My Fair Lady, "*The Earl's Enticement*" is ripe with frequent plot twists and steamy interludes. ~*InD'tale Magazine*

THE EARL'S ENTICEMENT is an **extremely enjoyable historical romance**. ~*The Romance Reviews Top Pick*. theromancereviews.com/viewbooksreview.php?bookid=14188

Completely charismatic, Adaira and Roark's riveting romance make *The Earl's Enticement* an enchanting novel that is **impossible to put down**. ~*Lusty Penguin Reviews*

A wonderful Scottish tale with an intelligent, strong heroine, yummy hero, and more laugh-out-loud moments than you can count. ~Cynthia Gail Reviews

A well thought out plot . . . **fast pace and a wonderful dialogue** keeps this story interesting and always moving. ~Bookworm 2 Bookworm

Absolutely fantastic! It was fun, it was dramatic, it was sexy . . . well-written intelligent historical romance. ~Rage Sex And Teddy Bears.

Ms. Cameron certainly delivered **all that I hope for** in a book of this genre and then some. ~*Chrystal's Many Reviews*

From the Author

I knew the moment I introduced Adaira and Roark in *Highlander's Hope* they'd have to have their own story. I thought I knew exactly what their romance would entail, but as with all my books, they surprised me in several ways.

Both Adaira and Roark are complex people with undeniable flaws. But then, real people are flawed too, aren't we?

The dachshund, Kiki, introduced in *The Earl's Enticement* is named after a dachshund I lost in October 2012 after she was poisoned from a Waggin Tail chicken jerky treat. I wanted Kiki to live on in mortality, and so I wrote her into the story.

There's another character, seemingly unimportant in the story's entirety, who was special to me too. Clara, the maid Adaira meets at Roark's ball has disfigured fingers. I modeled her disability after my great-grandmother. The only digits not deformed on Great Grandma Clara's (Yes, her name was really Clara) hands were her thumbs. The rest of her fingers were webbed together and ended at the first knuckle. Still, she was a very successful milliner.

My humor was working overtime as I wrote *The Earl's Enticement*. I hope you enjoy a giggle or two!

About the Author

A **bestselling, award-winning** author, COLLETTE CAMERON pens Scottish and Regency historicals featuring rogues, rascals, rakes, and the intelligent, intrepid damsels who reform them.

Blessed with three spectacular children, fantastic fans, and a compulsive, over-active, and witty Muse who won't stop whispering new romantic romps in her ear, she still lives in Oregon with her mini-dachshunds, though she dreams of living in Scotland part-time.

Admitting to a quirky sense of humor, Collette enjoys inspiring quotes, adores castles and anything cobalt blue, and is a self-confessed Cadbury chocoholic. You'll always find dogs, birds, occasionally naughty humor, and a dash of inspiration in her sweet-to-spicy timeless romances.

Users Review

From reader reviews:

Nancy Garcia:

Book is actually written, printed, or illustrated for everything. You can recognize everything you want by a book. Book has a different type.
