### **Editorial Review**

#### **Review**

"One of the greatest works of American literature...a timeless evocation of the allure, corruption and carelessness of wealth."

-- The Times

""It is a marvellously suggestive novel... a parable of modern America, and by extension of modern life."  
--A. N. Wilson", Daily Telegraph

""The first and greatest modern novel, it has beautiful women, lavish parties, romance, betrayal and murder woven together in an intricately structured plot. A prescient comment on the dying days of a gilded age that is brilliant entertainment with a very eloquent insight".

--Mirror

#### **About the Author**

Francis Scott (Key) Fitzgerald's (1896-1940) posthumous literary reputation has remained consistently strong despite many highs and lows throughout his brief life. His best-known novel, *The Great Gatsby* (1925) remains a critical favorite along with *Tender is the Night* (1934). Most of Fitzgerald's works are loosely based on his life, including his wife Zelda's insanity and his appreciation for personal indulgence and self-destructive excess.
