## Breaking the Silence By Katie Allen

After enduring a horrific childhood, William Jackson lives a solitary existence working as a computer programmer from his Minnesota home. His safe routine is blown to pieces when the daily sight of an unknown woman walking her dog sends his heart into a tailspin. Jenny Fitzgerald's love life is at a definite low. Her only potential date in sight is her annoying and creepy coworker, Evan—until a stunning man appears before her like a gift from some kindly sex god. Who is she to turn down what's offered to her on a hunky blond platter? Will and Jenny's friendship develops as their hunger grows into love. Meanwhile, a jealous Evan watches, his rage building until it explodes in a brutal act of violence that tears Jenny's life apart. Will struggles to help her rebuild her courage and sense of self as his own demons and fragile memories threaten their chance at happiness—but perhaps they can learn to heal each other. Reader Advisory: This book contains a realistic, violent near-rape scene.
