### Editorial Review

From Publishers Weekly

Readers who like their tales romantic, suspenseful and spiced with "a paranormal twist" will welcome *Harmony*, which includes the 2000 novel *After Dark* and the 1999 novella "Bridal Jitters" by bestselling author Jayne Ann Krentz writing as Jayne Castle. Both take place on Harmony, a future world of psychics and ghost hunters: a para-archeologist and a studly dissonance-energy para-resonator team up to solve a murder and uncover mutual passion in the former; in the latter, a woman considers calling off the upcoming wedding that will cap her two-year marriage of convenience to a business partner ("a tough, sleek male") because she loves him but he, too, has hidden desires.
