The Descent of Air India: Revised Edition By Jitender Bhargava

This is a candid account of how a series of dramatic events ran aground an airline that once ruled the skies; a behind-the-scenes expose of submissive and indifferent chairmen, self-serving employees and union members, a step-fatherly government, who colluded in the near destruction of one of India's finest public-sector undertakings (PSUs).

The Descent of Air India elucidates the failure to rejig Air India in tune with the times, which compounded with an overt reliance on the airline's past glory, impractical expansion plans and the misuse of the company's resources, rapidly led to financial meltdown.

The book has lessons for those serving in the government sector, particularly PSUs, that in today's competitive world they can't give in to sloth, be loath to change and demand progressively higher emoluments while remaining unproductive thereby endangering the future of their company. The book heralds a 'wake up time' for government run concerns as India envisions to be a global economic power.

Editorial Review

Users Review

From reader reviews:

Martha McKee:

This The Descent of Air India: Revised Edition book is not ordinary book, you have it then the world is in your hands. The benefit you will get by reading this book is actually information inside this guide incredible fresh, you will get facts which is getting deeper you read a lot of information you will get. This The Descent of Air India: Revised Edition without we recognize teach the one who reading it become critical in thinking and analyzing. Don't be worry The Descent of Air India: Revised Edition can bring whenever you are and not make your handbag space or bookshelves' turn out to be full because you can have it within your lovely laptop even cell phone. This The Descent of Air India: Revised Edition having very good arrangement in word along with layout, so you will not feel uninterested in reading.

Lloyd North:

This The Descent of Air India: Revised Edition are generally reliable for you who want to become a successful person, why. The main reason of this The Descent of Air India: Revised Edition can be one of many great books you must have will be giving you more than just simple looking at food but feed you with information that maybe will shock your before knowledge. This book is actually handy, you can bring it everywhere you go and whenever your conditions in e-book and printed versions. Beside that this The Descent of Air India: Revised Edition giving you an enormous of experience including rich vocabulary, giving you demo of critical thinking that could it useful in your day exercise. So , let's have it and luxuriate in reading.

Denise Wallis:

As a scholar exactly feel bored to reading. If their teacher requested them to go to the library or even make summary for some book, they are complained. Just minor students that has reading's heart or real their passion. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that reading is not important, boring along with can't see colorful pics on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this The Descent of Air India: Revised Edition can make you feel more interested to read.

Jason Wahl:

What is your hobby? Have you heard that will question when you got scholars? We believe that that issue was given by teacher on their students. Many kinds of hobby, Every person has different hobby. So you

know that little person just like reading or as reading become their hobby. You need to know that reading is very important and also book as to be the thing. Book is important thing to increase you knowledge, except your own teacher or lecturer. You see good news or update concerning something by book. Different categories of books that can you choose to adopt be your object. One of them is this The Descent of Air India: Revised Edition.
