"To be a great soccer player, you must be in love with the game." – Mia Hamm

Do you love lacing up your cleats for the first game of the season?and do you love it even **more** when they're caked with mud *after* the game? Are there many nights when you dream about kicking the ball, and watching as it soars through the air toward the goal? Would your perfect day include hours on the soccer field? Do you love to watch people play, soaking up everything you can from other soccer-crazy players? Have you ever felt like your soccer team is a second family? Then you're definitely soccer-crazy . . . and this book is definitely for you!

From training techniques formations and strategies?this book has it all!

### Editorial Review

From School Library Journal

Gr 3–6—This upbeat, enthusiastic treatise on everything soccer is aimed primarily at girls and written by an obvious fan of the sport. The text is organized into short vignettes with chapter titles such as "Becoming the Best," "Getting Ready for the Game," "On the Field: Let's Play," and "Play Safe: Preventing Injuries on the Pitch." Each piece is about a page long, with bright two-color computer graphics in black and vibrant green. Full of factoids and anecdotes, this book will appeal to girls with little time to pore over a heavy text. In addition to game rules and strategies, the title also shares material on how much money players earn, stories of inspirational teams, and an extensive listing of prominent players, male and female. While the graphics are attention grabbing, the two-color theme muddles the black-and-white photographs, making some unappealing. Profiles of several players, male and female, as well as a series of lists finishes out the text, with several pages for readers to add their own notes. The style of text and simple graphics will appeal to the younger middle school or upper elementary readers, as will the straightforward instructional information; older readers will find it more entertaining than enlightening. A good gift for young fans.—Carol Connor, Cincinnati Public Schools, OH

### Review

“. . . a mature, contemporary soccer guide for girls wanting to take their game to the next level.” *?Booklist*

### About the Author

Erin Downing is a lifelong soccer fanatic. She is the author of more than twenty-five books, including the Quirks series (as Erin Soderberg). She lives in Minnesota with her husband, three young kids, and a soccer-crazy dog.

### Users Review

#### From reader reviews:

#### Clyde Welch:

Here thing why this particular For Soccer-Crazy Girls Only: Everything Great about Soccer are different and reputable to be yours. First of all looking at a book is good but it depends in the content of the usb ports which is the content is as tasty as food or not. If you are having difficulties in bringing the imprinted book maybe the form of For Soccer-Crazy Girls Only: Everything Great about Soccer in e-book can be your option.

#### Edna Pilon:

It is possible to spend your free time to read this book this publication. This For Soccer-Crazy Girls Only:

Everything Great about Soccer is simple bringing you can read it in the park, in the beach, train as well as soon. If you did not possess much space to bring typically the printed book, you can buy the actual e-book. It is make you easier to read it. You can save the actual book in your smart phone. Consequently there are a lot of benefits that you will get when one buys this book.

**Karen Johnson:**

Many people spending their period by playing outside having friends, fun activity having family or just watching TV all day long. You can have new activity to spend your whole day by looking at a book. Ugh, think reading a book can definitely hard because you have to accept the book everywhere? It all right you can have the e-book, bringing everywhere you want in your Smartphone. Like For Soccer-Crazy Girls Only: Everything Great about Soccer which is finding the e-book version. So , try out this book? Let's view.

**Robin Norfleet:**

As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library in order to make summary for some e-book, they are complained. Just small students that has reading's heart or real their hobby. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that examining is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this For Soccer-Crazy Girls Only: Everything Great about Soccer can make you really feel more interested to read.
