## Thesaurus Cultus et Rituum Antiquorum: Personnel of Cult, Cult Instruments; Volume V From J. Paul Getty Museum

*Thesaurus Cultus et Rituum Antiquorum (ThesCRA)* is a major multivolume reference work on all known aspects of Greek, Etruscan, and Roman cults and rituals. Providing both sweeping overview and in-depth investigation, *ThesCRA* covers the period from Homeric times (1000 B.C.) to late Roman times (A.D. 400).

The first three volumes, published in 2005, deal with dynamic elements of cult: divination; prayer, gestures, and acts of prayer; gestures and acts of veneration; oaths; maledictions; profanation; magic; and consecration and foundation rites. The last two volumes in the set move on to static elements of cult--cult places and their depictions in antiquity in volume IV, and the personnel of cults in volume V. The major contributors to volume IV are Anneliese Kossatz-Deissmann, Francesco Marcattili, Ulrich Sinn, and Mario Torelli; those for volume V are Stella Georgoudi, Tonio Hölscher, Ingrid Krauskopf, Vinciane Pirenne-Delforge, and John Scheid. The index for the five-volume set will be published in August 2006. *ThesCRA* was developed by the eminent group of scholars who published the eight double-volumes of *LIMC (Lexicon Iconographicum Mythologiae Classicae)*.

## **Editorial Review**

### **Review**

“This publication is a truly magnificent undertaking that will be a major reference work for decades to come.”—*Minerva*

“*ThesCRA*, thanks to its scale, its intelligent selections, and its bibliographies, opens a new era for anyone concerned with the Realien of ancient cult.”—*Greece and Rome*

“The *Thesaurus* continues the good work of the *Lexicon (LIMC)* in making it impossible for archaeologists and art historians to neglect the ancient written sources, or for epigraphers and literary specialists to underrate the material record. Best of all, when we have the full set of dynamic and static elements, we shall all be able to reflect on the inward and spiritual meaning of all this hard evidence with far more information at our fingertips than we have had before.”—*Times Higher Education Supplement*

“Bigger than anything previously attempted in this most challenging sector of classical studies.”—*Times Higher Education Supplement*

### **About the Author**

Antoine Hermary is Professor of Archaeology and Greek Civilization at the Universite de Provence, France. Bertrand Jaeger is Secretary of the Editorial Committee of the Foundation for the Lexicon Iconographicum Mythologiae Classicae.
