Behavior Change in the Human Services: An Introduction to Principles and Applications By Martin Sundel, Sandra S. Sundel

This book introduces and overviews behavior change principles and their applications to a wide range of problems and situations.

Designed for practitioners and students in the social service professions, the book uses a problem-solving framework to facilitate the application of behavior change principles to actual situations. The book continues in the spirit of the first three editions, building on the strength of the previous editions and containing new features.

Editorial Review

About the Author

Martin Sundel is the director of Clinical Services for Sun Family Care, a company that provides care management and counseling to older adults. He was the Dulak Professor of Social Work at the University of Texas at Arlington and also served on the faculties of the University of Michigan, the University of Louisville, and Florida International University. He holds a PhD in social work and psychology from the University of Michigan and was a postdoctoral fellow at the Laboratory of Community Psychiatry at Harvard Medical School. He is a Charter Clinical Fellow of the Behavior Therapy and Research Society and has been recognized as a pioneer in introducing behavior therapy in Latin America. He has published extensively on the application of behavioral science knowledge to the helping professions. An avid table tennis player, he has won three national championships and silver and bronze medals in international tournaments.

Sandra S. Sundel is the president and CEO of Sun Family Care. She was formerly on the social work faculty at Florida Atlantic University. She was executive director of family service agencies in Florida and Texas, and also served as executive director of group homes for adults with developmental disabilities in Texas. She holds an MSSW from the University of Louisville and a PhD in clinical social work from the University of Texas at Arlington. She has taught courses in social work practice, behavior therapy, interpersonal communication, and group work, and has conducted numerous workshops and seminars. She has consulted with corporations, government agencies, and nonprofit organizations on organizational behavior management and interpersonal communication in the workplace. As mental health consultants to the United Nations High Commissioner for Refugees (UNHCR) in Cyprus, Sandra and Martin designed and implemented a psychosocial rehabilitation project to foster collaborative relationships between Greek and Turkish Cypriots.

Users Review

From reader reviews:

Martin Adams:

The book Behavior Change in the Human Services: An Introduction to Principles and Applications can give more knowledge and information about everything you want. Why then must we leave the good thing like a book Behavior Change in the Human Services: An Introduction to Principles and Applications? A number of you have a different opinion about guide. But one aim that book can give many data for us. It is absolutely appropriate. Right now, try to closer using your book. Knowledge or information that you take for that, you

could give for each other; you could share all of these. Book Behavior Change in the Human Services: An Introduction to Principles and Applications has simple shape nevertheless, you know: it has great and massive function for you.
