Editorial Review

Review

I grant you permission to use my name and school. I have a few comments below that are not all inclusive, but are a start - if you want some more, let me know. I need to get back to my office to see the book, especially chapter 6 - I can address that chapter specifically if you think that is appropriate.

I want to say that I have used Kieso and Weygandt for 19 years and this book is a refreshing change , but I guess I am hesitant to put that down on paper. If someone wants to call me, I would be happy to discuss the book with them and let them know I have switched from Kieso and Weygandt.

Well-balanced approach to Intermediate Accounting topics and well written, easy to read for students, understandable.

I like the coverage on accounting for derivatives - it seems appropriate for Intermediate Accounting - good introduction to a complex topic. I think the authors have a fresh approach to many topics and I think they provide excellent coverage to a broad range of topics. I especially liked their coverage of lower of cost or market.

I like the organization of topics - statement of cash flow emphasis rather than the balance sheet emphasis. There is a nice treatment of international accounting topics - it is not just a marginal notation as in many textbooks, plus good examples with interesting real world illustrations.

About the Author

James D. Stice is the Distinguished Teaching Professor in the Marriott School of Management at Brigham Young University. He is currently Associate Dean of the Marriott School. Dr. Stice served for eight years as the director of BYU's MBA Program. He holds bachelor's and master's degrees in accounting from BYU and a PhD in accounting from the University of Washington.

Earl K. Stice is the PricewaterhouseCoopers Professor of Accounting in the School of Accountancy at Brigham Young University, where he has been on the faculty since 1998. He holds bachelor's and master's degrees from Brigham Young University and a PhD from Cornell University.

K. Fred Skousen holds the J. Willard and Alice S. Marriott Chair of Management and is Dean of the Marriott School of Management at Brigham Young University. He earned a bachelor's degree from BYU and master's and Ph.D. degrees from the University of Illinois. Dr. Skousen taught at the University of Illinois and the University of Minnesota prior to joining the faculty at Brigham Young University. In 1983 Dr. Skousen was awarded the Peat Marwick Professorship at BYU. In 1984 Dr. Skousen was elected to the AICPA Council, and in 1985 he received the UACPA Outstanding Faculty Award. Dr. Skousen has been a consultant to the Financial Executive Research Foundation, the Controller General of the United States, the Federal Trade Commission, and to several large companies. He currently serves on the Board of Directors of several corporations. Dr. Skousen is the author or co-author of more than 50 articles, research reports, and books, including Intermediate Accounting, 13th edition. Fred and his wife, Julie, have five sons, one daughter, and nineteen grandchildren.

Users Review

From reader reviews:

Paul Blum:

As people who live in the particular modest era should be change about what going on or information even knowledge to make these individuals keep up with the era that is always change and move forward. Some of you maybe can update themselves by studying books. It is a good choice in your case but the problems coming to an individual is you don't know what kind you should start with. This Intermediate Accounting is our recommendation so you keep up with the world. Why, as this book serves what you want and wish in this era.

Linda Livingston:

Playing with family in a very park, coming to see the ocean world or hanging out with good friends is thing that usually you could have done when you have spare time, and then why you don't try thing that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love Intermediate Accounting, you are able to enjoy both. It is excellent combination right, you still need to miss it? What kind of hangout type is it? Oh can occur its mind hangout people. What? Still don't understand it, oh come on its referred to as reading friends.

Debra Heffner:

As we know that book is very important thing to add our expertise for everything. By a book we can know everything we really wish for. A book is a list of written, printed, illustrated or even blank sheet. Every year seemed to be exactly added. This e-book Intermediate Accounting was filled regarding science. Spend your time to add your knowledge about your science competence. Some people has distinct feel when they reading any book. If you know how big advantage of a book, you can feel enjoy to read a reserve. In the modern era like now, many ways to get book that you wanted.

Brenda Luna:

Some individuals said that they feel bored when they reading a guide. They are directly felt the idea when they get a half areas of the book. You can choose often the book Intermediate Accounting to make your own reading is interesting. Your own skill of reading expertise is developing when you just like reading. Try to choose easy book to make you enjoy to learn it and mingle the opinion about book and reading through especially. It is to be 1st opinion for you to like to wide open a book and study it. Beside that the guide Intermediate Accounting can to be a newly purchased friend when you're truly feel alone and confuse in what must you're doing of that time.
