Does lust overpower love?

As the winter sets in on Chicago, things have been getting pretty serious between Breon and Trina. Having been together for a while, Trina finds out that Breon was seen coming out of a jewelry store. Trina and her two sisters run with this, especially considering the fact that Breon brings up the idea of taking a trip to Gatlinburg for their anniversary. However, all of this could be quickly changing. When Breon goes to Wayne's house for a coming home party for a friend who has just gotten out of prison, he sees a chick he'd heard about in school and used to have a bit of a crush on: Nikki. And she is so much more tempting now than she was back then. Little does Breon know, Nikki will really have her eyes on him once she's heard that he is getting married. Will Breon be able to resist the temptation that is Nikki? How will Nikki react when she finds out that Breon may be popping the question soon to his main chick, Trina? Find out the answer to these questions and more in The Wrath of a Side Chick (Part 1).
