### Who Are The Illuminati? The Secret Societies, Symbols, Bloodlines and The New World Order By Frank White

Hidden behind the veil of their secret society the group known as the Illuminati have still managed to garner great attention and acclaim. They have been blamed for everything imaginable such as being the igniting force behind the French Revolution and being the real masterminds behind the 9/11 attacks. They have even been credited with assassinating both Presidents Lincoln and Kennedy, because these two celebrated presidents made the unfortunate mistake of trying to usurp their unquestionable power. The so called conspiracy theorists say that they are hell bent on ushering in their new world order which consists of the establishment of a one world government, a one world army and destroying the sovereignty of every nation. They are said to be implementing their New World Order through organizations they are identified with as being part of like The Bilderberg Group, The Council on Foreign Relations, The Trilateral Commission, The Club of Rome and many others. There are prominent families who are also said to be part of the Illuminati like the Rockefellers and the Rothschilds. But are these assertions valid? Does popular society have it right or have they simply misunderstood this secret group? Have they been given a bad rap? In his revealing book entitled Who Are The Illuminati: The Secret Societies, Symbols, Bloodlines and The New World Order author Frank White takes a critical look at this powerful underground secret society, who they are and what their intentions are in a world filled with scorn for them. He explores not only the true facts about the group, but also the urban legends attributed to them, some of which are true and others of which have been greatly exaggerated. For example, do they really control the world and everyone else are just slaves to their whims and madness? Do they have a stranglehold on the entertainment and music industries and are the popular stars just puppets carrying out their agenda to the masses? Did they really order the murder of pop superstar Michael Jackson? These questions and many more will be answered in this explosive book.
