In HeartMate and Heart Thief, award-winning author Robin D. Owens built a world where psychic talents and desires of the heart flourish. Now, she returns to Celta with a story of star-crossed lovers...

Healer Lark Collinson hates the street dueling that is a way of life among the noble families on Celta--it was just such a skirmish that killed her Healer husband and left her a grieving widow. The last thing she wants is to love a man to whom fighting is a way of life--a man like the brashly confident Holm Holly. All it takes is one brief touch for Holm to know that Lark is his HeartMate, though wooing her will be his greatest challenge. For not only does she despise everything he represents, but the long-standing feud between their families has exploded into even greater violence. Their destiny has been revealed...but at what cost to their own hearts?

Editorial Review

Owens' third romance set on the planet Celta, originally settled by Wiccans, brings together a healer and a warrior. Healer Lark Collinson, widowed when her husband got in the way of dueling great families, wants to move away from her father, the head of the Hawthorn family. He is set on dueling with the Hollys, who are known for their fighting prowess, and even though she hates violence, Lark is drawn to Holm Holly, the heir and an accomplished fighter. Holm, who did not discover that he had a HeartMate during the three rites of Passage he endured, finds that he has matured enough through the challenges he has faced to be worthy of his HeartMate, Lark, who is unaware that she has a HeartMate in this lifetime. Playful pet kittens add a little fun to this sexy story. Readers of Owens' earlier Celta titles, *Heart Mate* (2001) and *Heart Thief* [BKL Je 1 & 15 03], will enjoy revisiting this fantasy-like world filled with paranormal talents. *Diana Tixier Herald*
