## Editorial Review

Amazon.com Review

TCP/IP is usually a subject for network professionals and hardcore geeks. While the acronym (which stands for Transmission Control Protocol/Internet Protocol) gets thrown around a lot, most nontechnical users don't realize that it's the suite of protocols used to connect computers to the Internet. Timothy Parker explains the basics of TCP/IP, goes on to the protocols and services it provides, shows how to implement it in various environments, and then explains how it is used on the net. There are also chapters on administering a TCP/IP network, maintenance, and troubleshooting. Not for the faint of heart or the average user, this is a book for those who want to gain advanced communications knowledge and experience.

From the Publisher

This book starts with the installation of the most popular TCP/IP products on each platform, then proceeds through configuration and troubleshooting each product. Subsequent chapters increase the reader's understanding of the theory and practice of TCP/IP, both from an administrative and user point of view. - Covers TCP/IP for DOS, Windows, Macintosh, and UNIX systems

- Includes configuration and troubleshooting information

- CD-ROM includes source code from the book

From the Back Cover

TCP/IP Unleashed, Third Edition, explains the features and complexities of the TCP/IP protocol suite in a comprehensive, logical format. The book is designed for easy reference and incorporates step-by-step guidelines and configuration examples to enhance the reader's learning experience. Our expert authors walk through the fundamentals of TCP/IP before moving on to more challenging topics including naming and addressing, IPv6, routing, implementation, TCP/IP applications, and TCP/IP network administration. TCP/IP Unleashed has been revised to include the latest implementation information and real-world experiences, including configuring TCP/IP for Linux and Windows 2000 systems.

## Users Review

**From reader reviews:**

**Bobby Morrison:**

Information is provisions for people to get better life, information presently can get by anyone on everywhere. The information can be a understanding or any news even restricted. What people must be consider if those information which is inside former life are challenging be find than now's taking seriously which one is suitable to believe or which one the actual resource are convinced. If you obtain the unstable resource then you have it as your main information we will see huge disadvantage for you. All those possibilities will not happen within you if you take TCP/IP Unleashed (3rd Edition) as your daily resource information.

**Abel Graham:**

The publication with title TCP/IP Unleashed (3rd Edition) has lot of information that you can understand it. You can get a lot of help after read this book. This particular book exist new knowledge the information that exist in this book represented the condition of the world right now. That is important to yo7u to be aware of how the improvement of the world. That book will bring you with new era of the internationalization. You can read the e-book on the smart phone, so you can read the idea anywhere you want.

**Jimmy Torres:**

Playing with family inside a park, coming to see the water world or hanging out with good friends is thing that usually you may have done when you have spare time, subsequently why you don't try matter that really opposite from that. One activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love TCP/IP Unleashed (3rd Edition), you may enjoy both. It is great combination right, you still want to miss it? What kind of hang type is it? Oh can happen its mind hangout people. What? Still don't obtain it, oh come on its named reading friends.

**Brenda Cornell:**

This TCP/IP Unleashed (3rd Edition) is great guide for you because the content that is full of information for you who always deal with world and still have to make decision every minute. That book reveal it facts accurately using great arrange word or we can state no rambling sentences inside it. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only offers you straight forward sentences but tricky core information with splendid delivering sentences. Having TCP/IP Unleashed (3rd Edition) in your hand like having the world in your arm, data in it is not ridiculous one particular. We can say that no publication that offer you world throughout ten or fifteen small right but this guide already do that. So , this can be good reading book. Hi Mr. and Mrs. hectic do you still doubt which?
