David Hanson Liu

Sinology Chuan-Shi Thesaurus (Chinese-English Bilingual Edition) is regarded as the only dictionary to accurately express Chinese words and concepts, with entries citing their authoritative sources from translations and writings of English and American Sinologists as well as from dispatches of international news agencies. A lexicographer, using the previous edition of the Chuan-Shi Chinese-English Thesaurus as the subject, wrote four papers in English or Chinese for ASIALEX conferences or similar international forums, praising it as a revolution in Chinese-English lexicography.
