Terminator 3: Rise of the Machines By David Hagberg

A novel by David Hagberg

Get Print Book

Based on the screenplay by Jonathan Mostow, John Brancato, and Michael Ferris

The novel of the blockbuster hit film

For two generations of moviegoers, the Terminator movies have defined adrenaline-soaked action filmmaking. Starring Arnold Schwarzenegger as a machine from the future, a machine who can take-or save-lives, capable of enormous violence and destruction, these films are the quintessential action thrillers of the new millennium.

Now, twelve years after *Terminator 2: Judgment Day*, Schwarzenegger is back in a new Terminator film that is even more exciting and action-packed than the first two films. With incredible new computer-generated imagery and an enormous arsenal of new effects, *Terminator 3: Rise of the Machines*, is a roller-coaster ride that moviegoers won't be able to resist.

David Hagberg, the bestselling author of dozens of action thrillers, has written a novel that goes inside the minds of the terminators and shows readers the post apocalyptic future as they've never seen it before, creating a thrill-packed novel. On the screen, Terminator 3 will dazzle and delight the eyes and rivet viewers to their seats. With masterful storytelling and a pulse-pounding pace, Hagberg has written a novel of heart-stopping tension that will keep readers in suspense until the very last page.

At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
