Editorial Review

Review

“Though this volume is intended for graduate students and teachers of TESOL and applied linguistics, the accessible style of the handbook appeals to a wider audience. Overall, this book is an invaluable resource for teaching and research.” (*Discourse Studies*, 18 November 2014)

“The Handbook of English for Specific Purposes would make an excellent addition to school or university collections. It could also be an excellent textbook for a dedicated course on ESP in a teacher education program . . . The Handbook provides a broad overview of the field, with sections specifically oriented to teachers, administrators and/or teacher educators (‘ESP and language skills’, ‘ESP and pedagogy’), as well as to researchers (‘Areas of ESP research’, Research perspectives and methodologies in ESP research’).” (*English Australia Journal*, 1 March 2013)
