#### **Review**

Tim Jorgensen s latest book, Spirit Life Training, reveals vital truths that will help you develop your spiritual life a life that will be able to take any task God asks of you with confidence. He has proven these truths in his own life and knows how they work. When you read this powerful book, you will discover step-by-step teaching that will help anyone develop a strong spirit, among many other scripturally-based instructions on how to live a life of spiritual achievement. ---- Roberts Liardon

Tim Jorgensen is a true man of God. He knows how to bring the Gospel in a way that anyone can understand it. He has the heart of David and the love of Jesus to see the Word of God spread to the uttermost parts of the world. He has a lot of wisdom, like the Bereans, and it shows in this book. I highly recommend Tim Jorgensen. ---- Dr. Jeremy Lopez Founder, Identity Network

Tim Jorgensen has been extremely instrumental in helping to shape my understanding of walking in the dominion of the spirit and not in the weakness of the flesh. Spirit Life Training is a very practical and powerful manual for how to overcome the battles that the enemy throws at every Christian. Tim has compiled years of wisdom into an easy-to-understand guide for those who are fed up with powerless, defeated, *religious* Christianity. He provides believers, new and old alike, with weapons to walk in the fullness of the victorious life that Christ offers all those who will *man-up* and go after living as the conquerors that He has made us to be. ---- Ryan J. Rhoades, Revival or Riots Ministries
