Emily Windsnap and the Land of the Midnight Sun By Liz Kessler

The New York Times best-selling series continues with the half-mermaid embarking on an icy and perilous journey to the Land of the Midnight Sun.

Strange storms are blowing up from the ocean, caused by the nightmares of Neptune, King of the Sea. Convinced that his dreams herald an approaching threat, Neptune enlists half-mermaids Emily Windsnap and Aaron for a top-secret mission to find and eliminate the source of the trouble. But Emily and Aaron quickly get in over their heads in the frigid waters of the frozen north. Deep within an alpine lake where magical reflections show what could be rather than what is, the two discover a trove of stolen memories and Neptune's darkest secret. Double-crosses and double-takes abound in Liz Kessler's fifth magical mermaid adventure.

Editorial Review

From [Booklist](#)

Attention Emily Windsnap fans: another daunting task is about to be tackled! Sea king Neptune has tapped the intrepid semi-mer and her friend Aaron to uncover the source of his recent night terrors. Terrible memories are knocking at his consciousness and unleashing harbingers of doom. Can Emily and Aaron reach the Land of the Midnight Sun? They might find some answers there connected with Neptune's long-lost evil twin, Njord, who is beginning to waken and carry out his dastardly plot to overrun the land with a tsunami. Emily's dry wit enlivens the nonstop adventure in Kessler's fifth waterworld fantasy series title. Grades 4-7. --Anne OMalley
