Castaways By Cheyenne McCray

Sirena can't remember anything. Apparently she needed a break so badly that her mind took a holiday. Unfortunately, so did the yacht carrying her to the Bahamas. After surviving a brutal storm, she's stranded on an island with Den and Mike, two incredibly gorgeous men who turn her inside out with their smoldering looks. Maybe forgetting isn't so bad—but Sirena has a feeling she'll want to remember every carnal detail of her time with these two steamy hunks. Den can't get enough of this beautiful Siren of the sea. He knows nothing about her, but finds himself drawn to her so powerfully that he has to have her. He's shared women with Mike before, hell, that's what this trip was all about... Only once they're off the island, Den intends to keep Sirena for himself.

Editorial Review

Users Review

From reader reviews:

Robert Tyson:

In this 21st centuries, people become competitive in each and every way. By being competitive now, people have do something to make these survives, being in the middle of the actual crowded place and notice by surrounding. One thing that oftentimes many people have underestimated the idea for a while is reading. Yeah, by reading a publication your ability to survive enhance then having chance to stand up than other is high. For you personally who want to start reading a book, we give you this kind of Castaways book as starter and daily reading reserve. Why, because this book is usually more than just a book.

Jeffrey Haller:

Information is provisions for anyone to get better life, information these days can get by anyone at everywhere. The information can be a expertise or any news even a concern. What people must be consider when those information which is from the former life are hard to be find than now's taking seriously which one is suitable to believe or which one the actual resource are convinced. If you have the unstable resource then you have it as your main information we will see huge disadvantage for you. All those possibilities will not happen with you if you take Castaways as your daily resource information.

Amanda Kline:

In this era which is the greater man or who has ability to do something more are more treasured than other. Do you want to become one of it? It is just simple method to have that. What you must do is just spending your time not very much but quite enough to possess a look at some books. One of many books in the top list in your reading list will be Castaways. This book that is qualified as The Hungry Hills can get you closer in growing to be precious person. By looking right up and review this guide you can get many advantages.

Carlos Moses:

A lot of publication has printed but it takes a different approach. You can get it by world wide web on social media. You can choose the top book for you, science, comic, novel, or whatever through searching from it. It is identified as of book Castaways. Contain your knowledge by it. Without making the printed book, it could possibly add your knowledge and make you actually happier to read. It is most important that, you must aware about guide. It can bring you from one destination to other place.
