Happy Valley: Murder, Mafia, Mormons and More! By Cheryl Naugle

There is no other book like this one. Happy Valley is a true story about the life and experiences of a real life private investigator, who moved to Utah from rural Kansas, to find Zion. What he found was something quite different! Follow this tale of intrigue and suspense from Kansas to Utah, Las Vegas and more! There is no other read to take you behind the scenes of the most unique culture in the world. The 'Dukes of Hazard' have nothing over the Good Ole Boys of Utah County. This book dissolves the 'squeaky clean' image as portrayed by the church's billion dollar PR machine. Real case histories of murder, the mafia, and of course, the Mormons, are brought to life as Naugle exposes the mobs' way of doing business in Las Vegas. You won't want to miss how it all connects to Happy Valley. Happy Valley is a unique place, with unique people, who live under unique circumstances. A 'Shangri-La,' which allows those with evil intent, to maintain control. A place where hard working, honest people, unknowingly become pawns in a struggle for salvation. A 'hard to put down' tale of some of the nation's highest profile cases.
