By Rosalind Solomon, Rosaind Solomon

Prophetess Rosalind Solomon has written her first series to this book about a very controversial subject, that is only mummified from time to time by Scholars, Archaeologists and Theologians. She shows that the original Hebrews who were freed from Egyptian bondage, were a black skinned people. But it doesn't stop there, she provides more different information that shows the African Americans are descendants of those original Hebrews. Also how all race comes from the black skin God created, and that we are one race of God. Not many races of GOD. This book brings out the fact that the Bible says Ancient Israel looked like the Ethiopian and Ancient Egyptians. Rosalind Solomon shows this by the biblical comparison of Moses and many more things about the Ancient Egyptians. She shows how the punishments and curses that were put on Israel by the most high fit the full description of the African Americans history and social ills in the western hemisphere. Rosalind Solomon goes deeper, she provides information about the Ashkenazi Jews, and who they are really descendants from. All in all this is a good book to begin you on the path to the truth about the original Biblical Israelites. It's a small book (91 pages) but it contains big truthful information and pictures. Now you will truly know just how special we all are to God, You will be renewed in God the second Series Two is out now too.
