Editorial Review

Review

"The Dangerous Lives of Public Performers provides valuable insights into the complex history of what we think of as the Islamic/Middle Eastern world. It shows, for instance, that there was a great deal of continuity between ancient Greece and Rome with the values and practices that developed in this part of the world. Shay presents a fascinating foil to what we know in the field of dance studies about the history of dance in the West from the same Greek and Roman roots through Western Europe to contemporary dance in Europe and North America. He also illuminates intriguing differences with Western ideas regarding masculinity by examining such things as the role of hospitality, expression of emotion, and practice of bisexuality in certain time periods and places." - Naomi Jackson, Associate Professor, Arizona State University, USA

About the Author

Anthony Shay is Associate Professor of Dance at Pomona College, USA.

Users Review

From reader reviews:

John Charlie:
