KJ3 Literal Translation Bible - New Testament - Memorial Edition By Jay P Green Sr.

This is the translation that appears in the side margins of Jay P. Green, Sr.'s best-selling series of The Interlinear Hebrew-Greek-English Bible. This is the fourth edition of this most accurate of all versions. Due to additional intense study, and the suggestions of others, we feel confident that this version has now been perfected. This is what the King James Version was meant to be, an exact word-for-word translation of the Hebrew and Greek texts. This title indicates that this new Bible is an exact literal, word-for-word translation of the Masoretic Hebrew Text and the Greek Received Text (Textus Receptus), the main texts used by the Authorized/King James Version translators. Now You Can Know What God Said, Not Just What Men Say He Said. The Bible you have been reading may say that The word of God is . . . sharper than a two-edged sword (Heb. 4:12), but in myriads of verses it has been dulled by mistranslation, or lost through non-translation of the words God actually wrote through the Scripture writers as they were "borne along by the Holy Spirit" (2 Peter 1:21).
