## **Editorial Review**

### **Review**

"Wow, wow, wow... we NEVER saw this coming. Declan and Elizabeth's POVs are chilling, heart-breaking and so complex and layered. Through endless and devastating lies, revenge, twisted deceit, at the core, there is still a stunning love story. Bravo, E.K. Blair. You had us hanging by a thread until the final pages!" - ***The Rock Stars of Romance***

"HUSH is the thrilling and gripping conclusion to this dark, twisted and duplicitous series. The undertones are menacing, the writing is magnificent, and the love and passion is primal, brutal and intense." - ***Totally Booked***

"E.K. continues to blow my mind. HUSH, was intense, passionate, evil, deceitful, mesmerizing, sexy, disturbing, suspenseful... an incredible mind bending ride of irrational, untraditional, uninhibited love. E.K. Blair doesn't hold back...she kisses, teases and seduces her readers with the smoking gun and raw, animalistic passion." - ***Flirty and Dirty Book Blog***

"Once again, EK Blair has knocked it out of the park. This IS EK Blair's best book yet! The epilogue could possibly be my most favorite epilogue ever written. It's utter perfection! Phenomenal and unique, there is no other series like this out there!" - ***Blushing Babes are Up All Night***

"Captivating. This is one series you don't want to pass up. It's filled with enough sexy twists and turns to keep you up all night reading." - ***Alessandra Torre, New York Times bestselling author***

"E.K. Blair's imagination frightens me...in the best way possible. She can write dark and twisted to the point that I'm audibly gasping in shock while I devour her words. I didn't just read this series, I experienced it--complete with goosebumps and a racing heart." - ***Kim Holden, author of Bright Side***

"E.K. Blair is a literary mastermind, and the epic conclusion to the Black Lotus series solidifies her place at the top. Haunting, mysterious, and flat-out incredible, Hush truly delivers, and every reader should expect to feel the same thrilling emotion we all experienced during Bang and Echo--only better!" - ***Mary Elizabeth, author of Low***
