## **Editorial Review**

### **About the Author**

SYLVIA BROWNE was born in Kansas City, Missouri. At three years old, Sylvia's psychic powers were revealed when she announced that her grandfather was dead (he was), and that she would have a baby sister in three years. Just as predicted, Sharon was born one month short of Sylvia's sixth birthday. Sylvia's grandmother, Ada Coil, was herself a medium; and Celeste, Sylvia's mother, grew up in a home where visions were commonplace. Although she herself was not psychic, Celeste accepted it as normal, if somewhat annoying. She did not welcome more eccentricity in her life, however, and would do nothing to encourage it in her daughter. Their lifelong relationship was strained, but Sylvia's relationship with her father was very close and loving. Millions of people have witnessed Sylvia Browne's incredible psychic powers on TV shows such as Montel, Larry King Live, Entertainment Tonight, and Unsolved Mysteries; and she has been profiled in Cosmopolitan, People magazine, and other national media. Sylvia is the author of numerous books and audios; is president of the Sylvia Browne Corporation; and is the founder of her church, the Society of Novus Spiritus, located in Campbell, California.

## **Users Review**

### **From reader reviews:**

#### **Donald Lester:**

Book is written, printed, or created for everything. You can realize everything you want by a e-book. Book has a different type. We all know that that book is important factor to bring us around the world. Next to that you can your reading skill was fluently.
