Her Stand-In Boyfriend By Kelly Jamieson

Make a date with a hot new romance novella from Select Contemporary!

This boyfriend business is about to get a whole lot more personal...

Event planner Lexi Mannis has a busy life in Chicago - too busy to have a boyfriend. For special occasions, she has her Stand-In Boyfriend, Mac Northrop. Mac offers (almost) all the perks of a real boyfriend - furniture assembly, a date to big events, and someone to cook for. But they've never been "with benefits"...until one wickedly hot night crosses the line.

Mac's been in love with Lexi for ages. He knows he should probably end it, but dammit, he just can't. When things get deliciously down and dirty, Mac is certain that he's made the leap out of the friend zone...until Lexi decides she wants to remain friends. With benefits.

What Lexi *doesn't* know is that she's running out of time. And if she won't promote Mac to Real Boyfriend, she might just lose her Stand-In Boyfriend to someone else...
