DENTAL TERMINOLOGY, Third edition takes a word-building approach to help dental assistants understand and remember dental terminology better than ever before. DENTAL TERMINOLOGY is not a strict dictionary of dental terms, but rather a word bank with pronunciation guides and definitions applied to practice areas, it's the resource that dental professionals can use for years to come. The chapters are organized by specialty area, so readers can always find the information quickly. Whether utilized in the classroom or on the job, DENTAL TERMINOLOGY, Third edition is a valuable reference that comes in handy again and again.

About the Author

received an MS from the University of Dayton. She has taken postgraduate studies at Ohio State, West Virginia University, Kent State, and Ohio University. She was employed as a dental assistant/hygienist in oral surgery, orthodontics, and general practices before she became a dental assisting instructor and Diversified Cooperative Health Occupations coordinator at Belmont Career Center in St. Clairsville, Ohio. Along with teaching duties she chartered the National Honor Society participation of the vocational school and was advisor for the VICA opening and closing ceremony team to National competition representing the state of Ohio. Mrs. Dofka has retired from active teaching but maintains life membership in the Iota Lambda Sigma, professional vocational teaching fraternity, DANB dental assisting certification, and maintains retired status as dental hygienist in West Virginia. She is currently serving in consultation practice and advisory board capacity as well as volunteer activities.

Users Review
