Sydney Harbor Hospital: Evie's Bombshell By Amy Andrews

*Welcome to the world of Sydney Harbor Hospital (or SHH... for short—because secrets never stay hidden for long!)*

**Their relationship is hospital legend...**

Without uttering a word, Evie Lockheart knew it was over. And the only way she could ever say goodbye to Dr. Finn Kennedy was by allowing herself to surrender one more time to temptation. Because while their relationship was defined by their indescribable passion, admitting out loud that she felt more for the guarded surgeon was *never* an option.

Then a bombshell rocks Evie to her very core. Mustering all her strength, she must tell the man whose delectable smile haunts her dreams that this time she will not let him walk away.
