### **From the Publisher**

Parthia, equal and rival to the Roman Empire, was led by Israelites who were deported from their homeland in Palestine. The "Lost" 10 Tribes of Israel are located through their migrations via sea routes to northwestern Europe and overland routes via Parthia, Scythia, and eastern Europe. The magi who gave gifts to Jesus were Parthian nobility who chose and monitored descendants of the royal House of David as the only ones eligible for the Parthian throne.
