San Francisco PD Detective Lindsay Boxer is suspicious about unexpected deaths at a local hospital--especially after the mother of one of her friends inexplicably succumbs. The Women's Murder Club is soon involved in finding the person responsible--and at risk to themselves. Carolyn McCormack's performance is superb. Her ability to capture the essence of each of the main characters is impressive; her skill at fleshing out even minor characters is rare. Her spirit, enthusiasm, and emotional involvement help the novel, which has its predictable moments. Overall, McCormack's ability to keep each moment fresh and alive makes this program a real treat for the listener. M.A.M.
