Unlimited Power a Black Choice By Anthony Robbins, Joseph McLendon III

YES, YOU CAN BE, DO, HAVE AND ACHIEVE THE THINGS YOU WANT IN LIFE

Unlimited Power, the international bestseller by Anthony Robbins, has guided millions along the path to success. Now, in *Unlimited Power: A Black Choice*, Robbins and his longtime associate and friend Joseph McLendon III, an authority in the African-American community and Head Trainer for Robbins Research International, address the specific needs of African Americans in search of knowledge, courage, success, and a better quality of life.

Robbins and McLendon here provide the inspiration and tools to help African Americans overcome roadblocks and cultural conditioning that might keep them from enjoying the life of their dreams. Step by step, Robbins and McLendon show how to eliminate fears and phobias, fuel the body with renewed health and energy, dramatically improve relationships, and become a persuasive communicator. Readers learn:

- * The seven lies of success
- * How to duplicate the success of others
- * The five keys to wealth and happiness
- * How to determine one's values
- * How to resolve inner conflicts that are the source of self-destructive behaviour
- * What they *really* want and how to achieve it

With *Unlimited Power: A Black Choice*. Anthony Robbins and Joseph McLendon III have written a unique and dynamic book that will provide African Americans with a program for super success in all aspects of their lives.

Editorial Review

From Publishers Weekly

Robbins's previous books (Giant Steps, etc.), along with his Personal Power audiotape series and seminars, have kept him at the forefront of the personal improvement industry for the past decade. Here, Robbins, who is white, adapts his book *Unlimited Power* (1984) for African Americans, who have mostly ignored his work. Although Robbins's name appears on this volume, the voice on nearly every page is that of his colleague, McClendon, head trainer of Robbins Research International, Inc., who is black and the owner of his own company, Succeleration Research Group. In a relentlessly positive and encouraging tone, he uses his own personal experiences and many examples of famous African Americans to explain Robbins's theories. Behavior modification exercises for achieving personal, career and financial success are included as well. The information here is universally appealing and applicable, but people of color accustomed to receiving information that is supposedly meant for everyone, and yet is presented only by whites using only whites as examples, will find this book a refreshing change. According to Robbins's own theory, however, readers will have to be "visual strategists" to make it through this lengthy volume; audiotapes and seminars--for those who are more "auditory" or "kinesthetic"--are sure to follow. 75,000 first printing.

From [Booklist](#)

Anthony Robbins is one of the biggest names in the self-empowerment movement, and his book *Unlimited Power* (1986) continues to be an international best-seller. In his introduction to this volume, Robbins admits that though he can empathize with African Americans, he has obviously never lived the black experience; thus, when it came to adapting his philosophy and motivational techniques for a black audience, he chose his friend and associate Joseph McClendon to help him. The book itself, while updated, is not much different from the original; the major change (along with McClendon's first-person narrations) is the inclusion of anecdotal material from the black community and the use of African American movers and shakers as examples of accomplishment. Through the lives of successful African Americans, the text filters the core of Robbins' teachings: reprogramming the mind for success, eliminating fears and phobias, and imbuing the body with health and energy. Certainly Robbins' success on the motivational circuit suggests that his teachings contain strong messages for *anyone* wanting--and willing--to recharge their lives. *Ilene Cooper*

Users Review

From reader reviews:

Mildred Wright:

What do you ponder on book? It is just for students because they are still students or the item for all people in the world, exactly what the best subject for that? Simply you can be answered for that problem above. Every person has various personality and hobby per other. Don't to be pushed someone or something that they don't desire do that. You must know how great as well as important the book *Unlimited Power a Black Choice*. All type of book are you able to see on many methods. You can look for the internet solutions or
