Every Organization Can Implement OPM3!: A Comprehensive Playbook for Project Management Process Improvement & PMO Governance By J. Alan Northrup

The Organizational Project Management Maturity Model (OPM3) is rapidly becoming the preferred tool for improving organizational project management around the globe. OPM3 is a framework of Best Practices that demonstrate the key components required for world class project management. World Class project management does not come about by time and chance. It must be intelligently designed into the fabric and culture of organizations. When implemented correctly, OPM3 processes take organizations from Ad-Hoc, immature execution, to mature and disciplined projects, programs, and portfolio execution. Many organizations pick up OPM3 and say, Yes, this is exactly what we need! But then they struggle when implementing the model. This book describes the fundamental concepts and architecture of OPM3 while providing real world examples and a structured approach for implementing the model. The tools, tips, and secrets shared in this book will move an organization from the chaotic and unpredictable to sustained organizational excellence. Process Improvement veterans and neophytes alike can use insights in this book to successfully implement OPM3 in any organization. The features of this book include: Detailed description of the OPM3 architecture and components Process framework for encapsulating all OPM3 Best Practices Process models for mapping world class organizational processes Detailed steps for standardizing processes and process governance Keys to implementing OPM3 (hard and soft skills necessary for Making It Happen!) Tools to measure, control, and improve processes in the organization OPM3 methods for Assessing the Organization CD Rom with OPM3 Assessment Aggregation Software along with forms, templates, and examples

Editorial Review

Review

As more and more government and commercial organizations adopt OPM3, they can count on this playbook to assist their organizations in OPM3 Implementation success. It is the definitive guide for Project Management process improvement. --Julia Klaren (Rockwell Collins)

I have read many books on process improvement in my career and this is by far the most comprehensive, practical, and valuable for the every day practitioner. --Paul Egli (Pearson)
