Experience History: Interpreting America's Past By James West Davidson, Brian DeLay, Christine Leigh Heyrman, Mark Lytle, Michael Stoff

Experience History emphasizes that history is not a collection of facts, but is "interpreted" from the detective work of historians examining the past's evidence. Utilizing an active learning environment that only an online solution can provide, *Experience History* gives students the opportunity to examine primary sources and explores specific periods and events. The leads to greater understanding as well as the building and practicing of critical thinking skills. As students uniquely experience American History, *Experience History* propels students to greater understanding while achieving greater course success.

Give students an experience. Improve course participation and performance. *Experience History* and experience success!
