### Dying by the Hour (Dying for a Living Book 2) By Kory M. Shrum

After 83 deaths, Jesse Sullivan knows how to die. As a Necronite, she is one of the population's rare 2% who can serve as a death replacement agent, dying so others don't have to. But using her NRD to save lives is why she's being hunted.

For Ally Gallagher, death is permanent. If she fails to protect Jesse again, there will be no third attempt. After a quiet year the signs of serious danger have returned. People connected to Jesse are disappearing. Her home is vandalized and threatening messages are turning up in the safest of places.

Then Jesse is taken and Ally has only hours to get her back. But no salvation comes without its price.
