**You Never Ate Lunch in This Town To Begin With...: An Outsider's Inside Look at the Outside of Hollywood** By Nicholas Kolya

Hollywood isn't all about the "A-list"-internationally famous actors and directors, highly paid writers, powerful producers. No, it's also about the failures, the inhabitants of the periphery, the bottom layers of the entertainment pyramid. That's the role Nicholas Kolya reluctantly played for the last decade. Follow his struggle at the margins of the entertainment industry, a nether region inhabited by washed-up game show hosts and once-perky child stars, professional "monkey" writers and drug-addicted talent agents. From the crummy sets of direct-to-video puppet movies to pitch meetings at major studios, laugh at his failures as he reaches, and reaches, and reaches, for that elusive golden ring-Hollywood success.
