Editorial Review

From School Library Journal

Grade 7 Up—In *Ghostgirl* (Little, Brown, 2008), Charlotte choked on a gummy bear and died, and, in this latest installment, she is still struggling in her unlife. After Dead Ed, she moves on to answer phones for a hotline for troubled teens, hardly her idea of Heaven. However, the appearance of a new friend helps to soothe her hurting heart. Maddy seems to understand Charlotte and when all of Charlotte's Dead Ed friends abandon her to take on their new "lives," Charlotte and Maddy bond. There is something more than meets the eye about Maddy, though. Meanwhile, Petula has gone into a coma due to a staph infection caused by a bad pedicure. In her quest to get her sister back, Scarlett has also entered a comatose state. Will Charlotte be able to guide the girls back home while managing the events in her own life? With its equal blend of humor and heartbreak, Hurley's novel is sure to find an audience. Make sure you have the first volume on hand. Readers will definitely want both for the full picture.—*Emily Garrett Cassady, North Garland High School, Garland, TX*
