Vampires: The Occult Truth (Llewellyn Truth about) By Konstantinos

Discover the strange world of the undead and the proof that creatures of the night exist.

The facts about vampires are stranger than anything you may have read, heard, or imagined before. *Vampires* strips away the myth and exposes the habits and lifestyles of these beings. The author reveals the occult truths about these creatures, including actual first-person encounters with vampires of all types?the ancient undead of folklore, contemporary mortal blood drinkers, and the most dangerous creatures of all: psychic vampires who intentionally drain the life force from their victims.

- Learn about the four types of vampires
- Read about vampire legends from around the world
- Discover vampires from history, including:
 - Arnold Paole of Serbia
 - Peter Plogojowitz and the Count de Cabrerias of Hungary
 - The vampire of Croglin Grange, Cumberland, England
 - Countess Elizabeth Bathory, responsible for up to 650 deaths
 - Gilles de Rais
 - Fritz Haarman, of Germany, from ninety years ago
 - John Haigh of Yorkshire, England, from just before WWII
 - And, of course, the real Vlad Dracula
- Present-day blood drinkers
- How to protect yourself from vampires

Included are letters from contemporary vampires; you will be shocked and surprised as you discover what these people are really like. Besides learning about the psychic vampire that *unintentionally* drains you of your energy as well as the intentional psychic vampire, you'll learn rituals for protection and methods to avoid falling into their clutches.

Editorial Review

Amazon.com Review

Feeling drained? Perhaps you are the unwitting victim of a psychic vampire. Want to know more? In this his second book, Konstantinos explores the folklore surrounding the blood-drinking vampire and, more importantly, exposes the threat of 20th century vampires which feed on psychic energy. I found this amalgam of stories from the past with Konstantinos' experiences in the present appealing to both the folklorist and the occultist sides of my curiosity. Konstantinos' theories will be considered controversial by many, but I don't feel that they can be summarily dismissed.

From the Publisher

When I first saw the title of Konstantinos' manuscript, *Vampires*, I was rather hesitant to even look at it. The scientific side of me was quite doubtful. After all, vampires are fiction, aren't they?

No. They're not.

Konstantinos presents undeniable proof that vampires existed...and still exist today. He reveals the history of vampires throughout the world. Virtually every culture has records and myths of them. He then reveals historic vampires.

Vampires discusses the four types of vampires that walk this earth. You'll learn how to identify them and discover what they do. *Vampires* also gives you explicit instructions on how to protect yourself from vampiric attacks.

If you are a doubter, as I was, this book is a must. The facts become clear: vampires are a literal reality. You will read letters from *real* vampires who tell what their lives are actually like. This is more exciting than any fictional interview with a vampire because it is real!

Whether you believe in vampires or are a doubter, *Vampires* is a must!

About the Author

Konstantinos is a recognized expert on occult, new age, and paranormal topics. He has a bachelor's degree in journalism and technical writing from New York Polytechnic Institute. He is a published author of articles and short fiction which have been featured in numerous publications including Popular Electronics, The Spook, and FATE Magazine. Konstantinos is a popular lecturer on the paranormal at colleges and bookstores in the New York City area and he has appeared on CNBC's After Hours and The Ricki Lake Show.

A Dark Neopagan, Konstantinos has been researching the occult and practicing magick for over fifteen years. Born and raised in Long Island, New York, Konstantinos now devotes his time to writing, singing Gothic rock music, and exploring nocturnal life in New York City and around the country.

Konstantinos is also the author of *Vampires: The Occult Truth*, *Summoning Spirits: The Art of Magical Evocation*, *Speak with the Dead: 7 Methods for Spirit Communication*, *Gothic Grimoire*, *Nocturnal Witchcraft*, *Nocturnicon: Calling Dark Forces and Powers*, and the forthcoming *Werewolves: The Occult*

Truth (September 2010).

Users Review
