About the Author

Dr. Follari has been working with young children for 13 years and as an early childhood teacher educator for the past 7. Her background focuses on innovative approaches to early care and education and she actively participates in community efforts advocating for quality practice. She is presently spearheading a community project to design a new early care and education center inspired by the methods and approaches in her current textbook.

Users Review

From reader reviews:

Roberta Petty:

In this 21st centuries, people become competitive in every way. By being competitive currently, people have do something to make these survives, being in the middle of typically the crowded place and notice through surrounding. One thing that often many people have underestimated that for a while is reading. Sure, by reading a guide your ability to survive raise then having chance to endure than other is high.
