**The Psychology of Conflict and Conflict Management in Organizations (SIOP Organizational Frontiers Series)** From Brand: Psychology Press

This volume in SIOP's Organizational Frontiers Series is a state-of-the-art overview of contemporary conflict research which aims to place conflict research and theory squarely within the realm of industrial and organizational psychology. This volume brings together and integrates classic and contemporary insight in conflict origins, conflict processes, and conflict consequences. In addition, it stimulates modeling conflict at work at relevant levels of analyses: the interpersonal and group, and the organizational. It is appropriate for scholars and practitioners in the areas of industrial-organizational psychology, human resource management, organizational behavior, applied psychology, and social psychology.

## **Editorial Review**

### **Review**

*"This is the definitive source of the state of the research on conflict in organizations. The editors, who are leading experts themselves, chose authors with deep personal insight into their respective areas. The result is an integrative treatment of the antecedents, processes, and outcomes of conflict at multiple levels within organizations. The book is timely, comprehensive, provocative, and will be a great use to scholars and practitioners alike."* - **Jeanne M. Brett, Northwestern University**

## **Users Review**

### **From reader reviews:**

#### **Ruth Nicholson:**
